The Wilcox *NVG Interface Shoes* are designed to replace the plastic shoes provided with a variety of Night Vision Devices. These durable light weight, aluminum hard coated metal shoes easily integrate with the Wilcox line of NVG Mounting Systems.

Features:

- Quickly Attaches and Detaches an array of Night Vision Goggles and Scopes
- Metal Construction Facilitates Operation of the NVGs Automatic On-Off Feature
- Flat Matte Finish for Covertness in Combat Conditions
- Combat Proven by the US Special Operations Community and Domestic Law Enforcement Personnel
- Design Approach Cuts Down on Logistics and Overall System Cost

Specifications:

Material Construction Light Weight, Aerospace Grade Metals
Accommodates NVG Suite AN/PVS-15/18 NVGs
