MICH Flush Mount

The Wilcox NVG Lanyard features a custom integrated base that securely attaches to a variety of Wilcox NVG Combat Helmet Mounts, as illustrated above. Its durable design prevents NVG loss during operation.

#### Features:

- Increases mission effectiveness and prevents loss of the night vision goggle by providing a secure attachment to an array of NVG devices
- Affixes to the Wilcox line of Helmet Mounts
- Breaks away from the helmet with 8 - 12 lbs of pressure to prevent operator injury
- Maintains a low profile stance on the helmet in both stowed and deployed position
- Flat matte finish for covertness in combat conditions
- Robust tether is designed for a long service life
